

This lovely book combines beautifully artistic color photographs with brief excerpts from the pens of famous American writers. Americas barns come in many shapes and colors. Here is a bright red Pennsylvania Dutch barn, George Washingtons own round barn in Virginia, several huge barns in Midwestern prairie country, New England barns, and many more. Each evocative photo comes with a description taken from American literature. The more than 50 atmospheric photos are serene yet powerful statements of Americana, beautifully complemented with the poetic quotations that serve as their captions. This is a wonderful little volume for gift-giving, or for treasuring in ones personal library.
