Here womens voices fill the age-old silence about matters central to their experience—from menstruation, sexual intimacy, and childbirth to caretaking, household rituals, and death. These writings represent a healing vision of the sacred that emerges from the particular consciousness of women—a vision that partakes of the world of earth and flesh. With contributions by Maya Angelou, Julia Alvarez, Margaret Atwood, Hildegard of Bingen, Lucille Clifton, Annie Dillard, Joy Harjo, Erica Jong, Denise Levertov, Audre Lorde, Kathleen Norris, Marge Piercy, Starhawk, Eudora Welty, Alice Walker, and others.
