

Two great themes from the fantastic Harry Potter film enhanced by eleven pages of gorgeous photos and artwork. The wind instrument books are completely compatible with each other and can be played together or as solos. Each book contains a carefully edited part that is appropriate for the Level 2-3 player, a piano accompaniment that can be easily played by a teacher or intermediate piano student, and a fully orchestrated accompaniment CD. Each song on the CD is presented as a demo track (which features a live instrumental performance) and as a play-along track without the solo instrument.
