

One small-town girl and one city girl will find their true loves in two timeless romances from New York Times bestselling author Beth Harbison. Drive Me Wild For Grace Bowes, returning home feels like facing disaster. At one time she was the towns golden girl, but now shes a single mom just struggling to make ends meet. She knows she has to find a job, and her first interview is with none other than Luke Stewart, the man who once made her heart beat madly before she married someone else. Luke has always been the one who made her wonder: What if? But now she has to convince him shes worth the risk. Midnight Cravings To police chief Dan Duvall, Beldons annual Rocky Top Chili Cook-Off is nothing but trouble. Its always the same story the locals get rowdy and his sleepy little town gets overrun with tourists and this year is no exception. This time, though, all Dans annoyance seems linked to one visiting New Yorker: the gorgeous and whip-smart Josephine Ross. Dan definitely isnt looking to have his heart broken by another city girl, but something about Josie has him wondering if its time to take his chances.
